Please insert the replacement sheet attached herewith of Fig. 7 into the drawings.

## REMARKS

Careful consideration has been given to the Official Action of January 27, 2005 and reconsideration of the application is requested.

## IN THE DRAWINGS

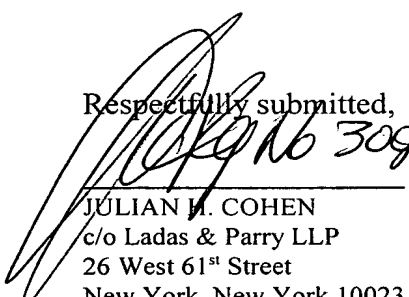

A replacement sheet for Fig. 7 is supplied herewith in which the lead line for numeral is now present. The Examiner's objection to the drawing is thereby overcome.

## IN THE CLAIMS

Claims 1-3 have been amended to overcome the objection raised by the Examiner, thereby to place the claims into allowable condition. The Examiner's recommendations regarding the amendment of the claims has been adopted.

Since the application is in allowable condition pursuant to *Ex parte Quayle* and all formal objections have been overcome, early dispatch of the Notice of Allowance would be sincerely appreciated.

Respectfully submitted,
